

Helen Browning's Chop House

Food Winter 2018/2019

A note about us

As you know, we're simple, generous country folk. This place is designed to allow you to indulge in guilt-free guilty pleasures. Organic meat from our own Eastbrook Farm 8 miles away, and lovely other stuff from our organic friends at Westmill veg, Native Breeds salami, Berkeley Farm dairy and Otter Valley chicken, all from livestock farmed to the highest world standards. Plus some oddities like Jody Scheckter's buffalo milk ice cream and mozzarella, wine from dedicated organic growers, and beers from craft and innovative brewers.

We love looking after customers, staff and suppliers. If you have any comments at all, good or bad, please make sure you talk to us. Or you can find us on Google, Facebook, Instagram and TripAdvisor. And you can always find us at the farm, if you fancy popping out there sometime. Come and stay in our glorious mini hotel and pub, Helen Browning's Royal Oak.
