You have an obligation to tell us about your food allergies & intolerances. If we don't know, we can't help

Our food here is sourced wherever possible from our own organic farm (Eastbrook) – all the meat items, plenty of the dairy, most of the veg, all the fruit except citrus; the wheat here fuels the sourdough bread, made in Hungerford. We can't always have everything available, apologies in advance if we are running short of any ingredients.

The farm can be a source of wonderment at the right time of day or year—wildlife abounds, livestock are lovely, walking is easy especially on the Ridgeway-- we have maps for you. We offer picnics, scavenger hunts, meeting spaces (here and outside), farm safaris. Take some time and enjoy us completely, one day. Ask about our Land Rover taxi service for groups of 6-10.

Let us know in advance of any allergies or dietary requirements. If you don't tell us we can't help.

10% service charge applied to parties of 4 or more and all outside tables.
